

## Capital Campaign Commitment Weekend

As Monsignor Nevin mentioned at Mass, we're in the midst of an important capital campaign at St. Aedan's which will have a very big impact on the future of our parish. **THIS** weekend (June 24th and 25th) is a crucial milestone in our campaign. It is our ***In-Pew*** or ***Commitment*** Weekend!

We ask *every parishioner* to be guided by the spirit of Christ in making their campaign decision. Our **average commitment of \$11,000** to date, from just a handful of people, is a wonderful testament of the generosity and faithfulness of the members of our parish family. The table below outlines a number of possible **five year** gift plans for your prayerful consideration when you are completing your pledge form. ***Spreading your sacrificial gift over five years is key to this campaign.*** Please bring the pledge form to Mass with you and place it in the basket when the ushers come around following a brief presentation. *(This might be a good time to donate some stock – avoid the capital gains tax & get your full tax deduction.)*

Sample 5-Year Gift Plans

In addition to **THIS** weekend's in-pew, you can also make a gift online at **renewrebuild.org**. Thank you for your support!
